

WIRE REINFORCEMENT INSTITUTE EDUCATION FOUNDATION SCHOLARSHIP APPLICATION

APPLICATION FORM FOR CURRENT HIGH SCHOOL SENIORS

TO: Current high school seniors intending to pursue four (4) year undergraduate degrees in structural and/or civil engineering at an accredited four (4) year university or college located in the United States or Canada only.

SCHOLARSHIPS: The Wire Reinforcement Institute Education Foundation is sponsoring scholarships in amounts ranging from \$1,500 to \$3,000 to deserving and qualified high school seniors who intend to pursue four (4) year undergraduate level degrees in structural and/or civil engineering at an accredited four (4) year university or college located in the United States or Canada.

Scholarships awarded will not exceed one (1) year and will be awarded for a specified academic year only.

WHO MAY APPLY? Any high school senior intending to pursue a four (4) year undergraduate degree in structural and/or civil engineering who has been accepted to and will be registered/enrolled in a four (4) year accredited university or college program located in the United States or Canada for the academic year.

WHERE AND WHEN MUST YOU APPLY? All application materials are submitted electronically. **Hard copies of any application materials will not be accepted and the application will be disqualified.** To be considered for an academic year commencing in August/September, the completed application must be **posted on or before April 15, 2012.**

APPLICATION MATERIALS:

To ensure that your application will be reviewed by the WRI Education Foundation Academic Advisors and considered by the WRI Scholarship Selection Committee, submit electronically the following application, your transcript (in an electronic version), and two (2) letters of recommendation from high school faculty members, preferably faculty from the math and science departments. Those providing letters of recommendation must submit them via e-mail, specifying that it is for your application.

All required supporting documentation is to be sent via e-mail to:

wrischolar2012@wirereinforcementinstitute.org

no later than **April 15, 2012.**

If any question on the application does not apply to you, please type "N/A" in the space. Be sure to complete ALL parts of the application accurately
